Dear Mother

I arrived back on Saturday night O.K. and everything is the same as usual. I may not be going away for some time yet, if I do go at all, the whole thing may be called off. I am not doing any flying now, till we know whether we are going away or not.

I will probably be back for Christmas. There is nearly no more to tell you at present, I am, keeping well, and you have nothing to worry about, regards to all

Love Benny
